

EXPORT CONDITIONS

Each shipment is subject to its fulfillment is not conflicted with any (inter-)national law, guideline or regulation - especially resulting from export control regulations, embargoes or any other sanction. Delays in delivery caused by export controls or licensing procedures annul deadlines and delivery schedules. In case necessary licenses are not granted by the responsible department / relevant authority the contract is to be considered as not concluded as to the concerned items. Damages for nonperformance or claims for indemnity because of the aforementioned delays in delivery are excluded.
